Presenter cheat sheet: HEINEKEN Newsroom Story Writer

Every scenario: Agentic → Chat → **new chat** → agent **HEINEKEN Newsroom Story Writer** → attach the file → type `Write a news story from the attached press release.` Answer by the **meaning** of the option (letters can change). When unsure, take **(Recommended)**.

Scenario 1: Global newsroom (`scenario-1-global-going-out-study.docx`, fictional)

Question	Answer
Which newsroom?	**`heineken`**, global (Recommended)
Image	**No image**
"...cannot really enjoy a night out without a cold beer..."	**Leave it out**
"Even younger students say they cannot wait until they are old enough..."	**Leave it out**
Bopha Lim: "...the best investment a venue can make."	**Keep only as an attributed verbatim quote**
Draft review	**Write it**

Point out: HEINEKEN Cambodia and Heineken® 0.0 corrected · ranges kept · research method kept · Khmer quote translated · "-ENDS-", download link, About and contacts dropped · SEO title ends `| The HEINEKEN Company`.

Scenario 2: Local market (`scenario-2-vietnam-water-programme.docx`, real)

Question	Answer
Which newsroom?	**`heineken-vietnam`**, local market (Recommended)
Image	**No image**
"...realised this ambition in 2025..."	The **compliant rewording** that presents it as a reported 2025 result, or type: `Keep it, attributed to HEINEKEN Vietnam as a reported 2025 result.`
"HEINEKEN Vietnam has pioneered..."	**Leave it out**
"...pioneer and innovate..." in Mr Mutters' quote (if asked)	**Keep as an attributed verbatim quote**
Any other claim	**(Recommended)**
Draft review	**Write it**

Point out: 2.2 billion litres, VND 70 billion, five breweries kept exactly · 2030 goal stays an ambition · names and titles as given · SEO title ends `| HEINEKEN Vietnam`.

After each run

Click **Open in Page builder** → show headline, body and SEO fields → "An editor reviews and publishes; the agent never publishes."

Never publish demo pages. Reset: delete the new story under `/newsroom/2026` on the site you used. Nothing else.

If...	Then...
Asked to update an existing page	**Update it as a new version**, or reset first
File not read	Paste the text after `Write a news story from this press release:`
Marketer MCP or skill missing	Agent → Tools & skills → turn it on / attach it → new chat
Anything odd	New chat, run again: nothing is written before your approval
